

Rich Wenslow

Code Enforcer/Building Inspector

August Code Report

11 hours

112 miles

Issued 3 new permits.

Closed 1 permit

1. Met with builder and homeowner on Vossler addition on Upper Reddy Rd. Consulted on inspection schedule and issued building permit.
2. Spoke with Steve Dickerson and issued a permit at no cost to build a deck at park in Allentown.
3. Met with builder and homeowner on city Rt. 18 for roof replacement. On separate visits I issued building permit, inspected, and issued certificate of compliance.
4. Met with builder on 106 Rd about renovation of an old cabin. The building permit was issued by a previous inspector. While on site I conducted the missing inspections from previous inspector. Afterward I consulted with the town clerk who was able to produce all permit info for said project.
5. Consulted with builder on a pole barn style garage on fords brook north branch. Project starting in September.
6. Spoke with County Health Department in regards to campground regulations and permitting, concerning activity on Lower Reddy rd.
7. Met with builder on Alma Hill Rd. in regards to a camp build. Left application and went over inspection schedule and build out process.
