

## Highway Report

### Road Work

Dec 10 -- Jan 7

The Highway Department has.

We have been Plowing and Sanding when needed

cutting brush and low hanging limbs.

Checking the roads every morning when not out tending to the roads.

Worked on overhead doors , Greased

working on putting up new road signs on Alma Hill.

Rebuilt Spindle and chain sprockets on sander

Freightliner had engin code , we took it to portville for repair

installed driveway pipe on North Branch .

Got Freightliner back and took Volvo to portville for many issues

Patched some of the larger pot holes on one of the warmer days

We have borrowed a Scio plow truck while our trucks are being repaired

Crew is here replacing the ballast and bulbs in and outside the shop

Payroll Issues
