December 18-25 2019 Several calls from Gerry Keech or his girlfriend. Another try to get me to take a dog he no longer wants. Claimed another un-named friend left a dog there, can't be found, wants dog gone . Claims dog bit him, Returned calls to explain he has legal ownership of dog, hung up phone on me. No further contact. Then he called county dispatch with same story. They sent Allentown ambulance to check it out. I spoke with ambulance attendant, dog was Gerry's, well known to crew, small scratch mark was only thing seen, no bite. no further contact was made to me by anyone on this matter.
