

Rich Wenslow

Code Enforcer/Building Inspector

April report

22 hrs.

43 miles

No new permits issued.

Site inspections slowed to a minimum due to concerns of COVID 19.

Spoke with landowners about potential projects this summer.

Fielded questions from residents in regards to prospective projects that may or may not require a building permit.

Continuing emails and conversations with the D.O.S. in regards to the complaint filed previously. Researched documentation including but not limited to: all documents associated with said project, town building code laws, adoption of the NYS building code, and any correspondence between my office and the homeowner.
